

Let's tell the story of:

FLOYD OF ROSEDALE

The Project

The Floyd of Rosedale Planning Committee will commission a qualified artist to install a sculpture that serves as a creative interpretation of Floyd of Rosedale in the North 32nd Street Roundabout [Floyd of Rosedale Circle]. The Floyd of Rosedale sculpture will celebrate fairness, equality, and Fort Dodge history. Learn more about the story on the Fort Dodge Public Art website: www.fortdodgepublicart.org.

Please Donate

The project budget is currently \$125,000 pending proposal submissions. The Committee plans to raise funds through grants and donations – please help move this project forward! You may mail or drop off your check at the Fort Dodge Community Foundation:
